Scully, Scott, Murphy & Presser Names Technical Consultant

Genetics Ph.D. Joins Patent Law Firm

Garden City, NY -- Scully, Scott, Murphy & Presser, a leading Intellectual Property Law firm, has announced that Adam DeRosa, a Genetics Ph.D., has joined the firm as a Technical Consultant. Prior to joining Scully Scott, DeRosa was a licensing associate in the Office of Technology Licensing and Industry Relations at Stony Brook University.

"We're very pleased that Adam has joined the firm," said Peter Bernstein, Partner at Scully, Scott, Murphy & Presser. "His skills and experience -- along with the rest of our deep team of technology experts -- will contribute to our continued growth and help us to satisfy the increased demand for our services."

DeRosa has technical expertise in genetics, biotechnology, cellular and molecular biology, cancer biology, immunology, microbiology, biochemistry, physiology, biophysics, biomedical engineering, medical imaging, and pulmonary medicine. He is experienced in the procurement of patents and license agreements in the related sciences. DeRosa has published 10 scientific manuscripts in various medical journals and a text book chapter on human genetic disease.

DeRosa is a resident of **TBD** NY. He received a B.S. in Biology from Loyola University and a doctorate in Genetics from the State University of New York at Stony Brook.
